SUMMARY

I am an aspiring intern with a solid foundation in AI and software development. My experience includes internships in Java Full Stack Development and machine learning, where I've honed my skills in Python, data preprocessing, and web application development. I'm passionate about leveraging technology to create efficient solutions and am eager to contribute to innovative projects in the field

EXPERIENCE

Web Development Intern

Gagan apps

07/2025 – Till Now.

- Virtual internship focusing on web development
- Acquired skills in front-end development, back-end development, and database management using relevant technologies (e.g., HTML, CSS, JavaScript, PHP)
- Gained hands-on experience with web development frameworks and real-world projects.

Data Analytics Intern

Talent Shine

📅 07/2024 - 08/2024 📍 Virtual

Virtual Internship focusing on data analyst

- Completed data analyst certification from R V Institute of Technology
- Acquired skills in data preprocessing, model building, and evaluation using Python
- Gained hands-on experience with machine learning algorithms and real-world datasets

EDUCATION

Bachelor of Science in Computer Science

(DATA SCIENCE)

[Chebrolu Engineering College](#)

GPA

[7.5/10](#)

📅 09/2022 - 08/2026

CERTIFICATION

DATA ANALYTICS

Completed Data Analytics certification from R V Institute of Technology demonstrating proficiency in Data analytics.

LANGUAGES

English

Hindi

Proficient

Telugu

Native

SKILLS

JS , PHP , MYSQL , DATA ANALYST

PROJECTS

(August 2025 – Till Now) Gagan Apps

Project - Marriage Website
(Working)

- * Developed a complete, functional marriage website from concept to deployment using JavaScript, PHP, and MySQL.
- * Designed and implemented all core functionalities, including user profiles, search filters, and communication features.
- * Developed RESTful APIs to facilitate seamless communication between the front-end and back-end, handling all user registration and login requests.

STRENGTHS

1. Project Development
2. Team Collaboration
3. Leadership and Initiative

4. Technical Proficiency
